

**POST - SHOW PRESS RELEASE
10-12 JULY, 2018 / NIGERIA - LAGOS**

BRINGING THE HVAC TECHNOLOGY WITH MEGA CLIMA ACROSS ALL STAGES AT THE LEADING EVENT

We are delighted to announce that three-day annual **MEGA CLIMA WEST AFRICA** Exhibition held between **10-12 July 2018**, which is considered as its own region's **largest industry platform** for manufacturers and distributors and all the professionals in this sector.

The exhibition has been officially opened by the honorable guests from **Nigerian Institution of Mechanical Engineers, American Society of Heating and Air-Conditioning Engineers, The Council for the Regulation of Engineering in Nigeria, Association of Professional Women Engineers of Nigeria, The Standards Organization of Nigeria, The National Alliance of Research Associates Programs, The Nigerian Society of Engineers, International Institute of Refrigeration, Nigerian American Chamber of Commerce.**

MEGA CLIMA directly responds to the industry's need for the right technologies that allow businesses to better serve domestic demands and gain faster access to global markets.

ATTRACTING THOUSANDS OF PROFESSIONALS

HVAC sector, one of the fastest growing industries in the region, carried its success to the peak with **MEGA CLIMA WEST AFRICA**. During 3 days, **86 exhibitors** from **17 countries** created new collaborations with the huge business volume.

Almost all the participants gave top marks for quality. Thus, at over 82% the overall level of satisfaction remains very high. The overall level of satisfaction on the visitor side is even higher and once again reached **85%**.

The Workshop welcomed 600 attendees and 3 international speakers and generating a great echo from the industry and the HVAC services. Virtually all participants (94 %) were satisfied with the event and three-quarters of them said they intend to visit the 2019 show again.

SHAPING THE FUTURE OF HVAC+R SECTOR WITH MEGA CLIMA

MEGA CLIMA, ELAN EXPO's **dedicated exhibition platform** for the refrigeration, air conditioning, ventilation, and heating sector in **Lagos- Nigeria**.
